WE COME FROM A SMALL TOWN

Montebello della Battaglia is a small municipality situated in the foothills of the Oltrepò in Province of Pavia, in the Italian region Lombardy an area internationally famous for its long history of quality winemaking.

30 ARE THE YEARS OF EXPERIENCE

Cube is a product of more than 30 years experience in Italy's gelato machine industry, quality materials and stainless steel and fine Italian design. Maintaining the tradition of Italy's long-lived gelato trade close to the company values and philosophy.

THEY REALIZE BY HAND

Materials recyclable packaging, an energy efficient motor and green refrigerant to support the environment. It is the only gelato machine in its class who's shape, which encompasses the magic of Italy's internationally recognized design, has been patented.
